## Grand Knight's Message

**My Brother Knights,** As we ready ourselves for the coming year I would like to thank you for allowing me to continue as your Grand Knight. We will be installing our officers on 07/25/2015. We will start with mass at 4pm then the installation at 5:30, with the past grand knight dinner to follow. This dinner is open to all our members and their spouse or significant other. I hope to see a large attendance at both the business meeting and the installation. There will be many activities this coming year that we will be needing help with, so be ready to volunteer to help. Looking forward to a successful year.

Brothers, Father Joe Pastick is very lonely way up in Spring Hill. He would love to have visitors or a phone call. His address and phone number is 7030 Evergreen woods trail Apt 201 Birch build, Spring Hill FL 34608, Phone # 352-606-3321. Remember our degrees charity, unity and fraternity. Keep Fr. Joe in your prayers and a visit would make his day.

**Vivat Jesus**

## *Pro-life*

## *Pray to end Abortion!!*

O Mary, bright dawn of the new world, Mother of the living, to you do we entrust the *cause of life*: Look down, O Mother, upon the vast numbers of babies not allowed to be born, of the poor whose lives are made difficult, of men and women who are victims of brutal violence, of the elderly and the sick killed by indifference or out of misguided mercy. Grant that all who believe in your Son may proclaim *the Gospel of life* with honesty and love to the people of our time. Obtain for them the grace to *accept that Gospel* as a gift ever new, the *joy of celebrating* it with gratitude throughout their lives and the courage to *bear witness* to it resolutely, in order to build, together with all people of good will, the civilization of truth and love, to the praise and glory of God, the Creator and lover of life. Amen

## Chaplain's Message

Dear Brother Knights,

For this month's reflection I would like to share with you some of my thoughts I already shared on Father's Day. Fatherhood is a gift and a responsibility. To be a good father/ a mother is a challenge especially this era where everyone demands more freedom and independence. Even friendship has a different outlook now than in the past. We use one another than we love each other. Our needs control our communication to each other. We build a shell and live in. Our communication doesn't go beyond that shell. So how many members are there in a family, so many shells are there. So joy or grief, nothing is shared. As a result the individual suffocates to death. If I can name it, (I don't know whether there is an expression like this. If not

I coin it) it is a psycho suiciding

You may wonder why I have this strange tone! I see it around me. I see people getting isolated in the society and in families. I see teens craving for love and recognition from their parents. Parents, children need your presence now, not tomorrow when you are free and retired. Dream for a healthy and holy family. Then try to live it. Even if you make a mistake, your children will forgive you.

God's blessings,  
Father Sebastian

### Prayer for Vocations

*Heavenly Father, Your divine Son taught us to pray to the Lord of the harvest to send Laborers into His vineyard. We earnestly beg you to bless our Diocese and our world with many priests and religious who will love you fervently, and gladly and courageously spend their lives in service to Your Son's Church under the guidance of the Holy Spirit. We pray that lives may be always centered on our Eucharistic Lord which they may be devoted sons and daughters of Mary, our mother, in making you known and loved that all may attain Heaven. Bless our families and our children and choose from our homes those whom you desire for this holy work. We ask this in Jesus' name. Amen*

### ***Update Your Beneficiaries***

Sometimes it is easy to overlook the simplest of things.

Take, for example, the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it may very well be that the person you originally selected as the beneficiary is no longer the person you would want to receive the policy proceeds. If you bought the policy when you were single, for example, you may have named your parents as beneficiaries. If you have since married, your policies should be updated to reflect your spouse as beneficiary. Maybe you've had children since, who are not named on the policies.

Most people list a primary beneficiary, who is specifically designated as the first in priority to receive policy proceeds. We also encourage the naming of a contingent beneficiary, an alternate person designated to receive policy proceeds, usually in the event that the original beneficiary pre-deceases the insured.

I routinely call all of my policyholders for annual review appointments, usually near the anniversary date of your policy – that is, the date it was originally issued. One of the matters that I'll discuss during this review is the status of your beneficiary designations. If they need updating, and they often do, I can complete the paperwork during that appointment.

I look forward to meeting with each of you to discuss your family's needs.

*Father of goodness and love; hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence? Show your mercy as you close wounds, cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance, and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed. AMEN*
