## Chaplain's Message

Most Holy Trinity

Dear Brother Knights,

This weekend we celebrate the Feast of the Most Holy Trinity. Most Holy Trinity is the central mystery of Christian Faith and life. It will remain a mystery till we see God face to face. The Dogma of the Holy Trinity is neither an intellectual concept nor an intuition of the Church Fathers or of theologians but it is the sum up of man's personal encounter with God since the creation. People of faith experienced God as Trinitarian: one God but as Father, Son and the Holy Spirit. God manifested Himself to us as a Family. He said, "let us make man in our image". God's making of man as male and female is an invitation to share God's Trinitarian life.

The Holy Trinity is the source of our community life. The message of Holy Trinity is that God does not want any of us be alone. It is not in the intention of God. It is man who chooses to be alone. We are lonely because we cut ourselves off from one another. Communion is life and its end is death. Love brings us all together. Love is the source of intimacy. Love perfects everything. Love creates community. Love's absence is division. The Mystery of Holy Trinity challenges us to dare the infinite possibilities to love one another. If you have love, you know Holy Trinity.

As Brother Knights what can we do to bring more unity in our families and in our parish? We have to find ways and means to extend God's message to our brothers and sisters. The best way is to sell the message of Holy Trinity to ourselves.

God's blessings,

Father Sebastian
