Chaplain's Message

Dear Brother Knights,

Let us begin this New Year with a new vision and a right understanding on the purpose of our life. Finding meaning for our own existence in this world is a must to live a happy life. Whether we are young or old, active or retired there should be something for us to do when we get up in the morning and a kind of satisfaction when evening comes. It is all about finding one's identity. Please reflect up on this weekend's reading.

Jesus went to His hometown. He unrolled the scroll and found out the Scripture passage that spoke of His identity. He proclaimed it to all, "Today this Scripture passage is fulfilled..." That was His destiny- the purpose of His incarnation. Jesus fulfilled the Scripture through His death and resurrection.

Each of us has a scripture to fulfill. Each one's life has a purpose. To become aware of that 'purpose' is the first step towards fulfillment. We have to unroll our life to find out our identity. The uncertainty about our role in life kills all our initiatives and makes the life dull. If we are clear about our role in life, it is easy to face any challenges. Others may question our values and may rudely criticize our choices but if we are sure that we live 'the Scripture' that God has written about us, we live a purposeful life.

We might not be able to perform miracles just as Jesus did, but if we find out our identity, surely we can heal all our internal and emotional wounds we suffer, may be from our childhood onwards. It will make us someone special who contributes to the community.

May the peace and love of Jesus Christ be with you all!

Father Sebastian

Insurance check-up for 2013

Where did 2012 go? It seems like it was summer yesterday and Easter was last week.

I hope you and your family had a great finish to 2012. Now, the first quarter of 2013 is speeding by.

Hopefully, you've established a few goals for this year. I've learned a great tip regarding resolutions. First, write them down. It's not too late if you haven't already done this.

Commit your goals to paper and post it someplace you will see it often. Writing down a goal is the first step towards achieving it. I don't know exactly how this works, but I've heard stories of the success this simple task can bring.

Whether your goal is to exercise more, give more to charity, read more or watch less television, you're more likely to accomplish it if you write it down.

Second, resolve to have an expert look at your finances. I recommend that you have a team of experts help you, and I should be among the first you sit with.

Schedule some time to visit with me, your professional Knights of Columbus insurance agent, and I'll provide an "insurance check-up" (at no cost!) that will quickly identify any gaps in your family's life insurance program. And you'll want to fill those gaps now, not later.

Unlike many other products, you don't just need money to obtain life insurance; you also need good health, and no one knows when your health could change.

Did I mention my check-up is free of charge? When was the last time you received something for free that could be providing value to you and your family for generations? Call me today.
