## Chaplain's Message

Dear Brother Knights,

The Pentecost Sunday marks the end of the Holy Season of Easter and reminds us of the beginning of the Church. The Holy Spirit says to us again who we are and empowers us to live every moment of our call as disciples of Jesus.

As Brother Knights we have a greater responsibility to respond to the message of Jesus and co-operate with the Holy Spirit to get God's Kingdom established in our hearts and in the hearts of others. Often we may feel a struggle within ourselves, if we are honest and sincere about ourselves. A kind of feeling that it is enough or only this much I can do as I have lot of other things to do- is a going back. It is the spot where we need to focus. Holy Spirit takes us to unknown realms of life that we have never trod on and teaches new skills of communication to tackle the strange trails in our relations and helps us to pick out our own gifts to live a holy life.

We are human beings with all sorts of weakness. We may often reject and block the flow of Grace into our life. Temptations have their hidden ways of operations and the dangerous one is the feeling, "it is enough". Here we stop growing. The Holy Spirit renews the heart for new activities and clears the way for the flow of Grace. In other words Holy Spirit prompts us to be Christian always. Some are Christians at their Baptism and then at the end of life at the deathbed. In between no one knows where he/she is. That "in between" is the time God looks into when he passes a judgment on us. May this Pentecost help us to re-discover ourselves for a new beginning.

May the peace of our Lord Jesus be with you all.

Father Sebastian
